Allocation of funds for Family Welfare Programmes

†3497. PROF. R.B.S. VARMA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the amount allocated by Government for Family Welfare Programmes during Ninth Five Year Plan;

(b) whether the above amount was sufficient for the above plan period; and

(c) if not, the allocation for Family Welfare Programmes during Tenth Five Year Plan?

THE MINISTER OF STATE IN THE MINiSTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) An allocation of Rs. 15120 crores was made during the Ninth Five Year Plan for Family Welfare Programme. This allocation has been inadequate to meet the existing cost of maintenance of infrastructure for primary health care. Most State Governments ran up huge arrears on account of payment of wages to permanent staff employed in the health care centres. Similarly Department of Family Welfare was unable to address the unmet need of reproductive health care products and services.

(c) During the Tenth Year Plan, the amount allocated for National Family Welfare Programme is Rs. 27000 crores.

TB Control Programme in Gujarat

3498. SHRI AHMED PATEL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of TB cases in Gujarat at the end of year 2001, district-wise; and

tOriginal notice of the question was received in Hindi.

(b) the status of National TB Control Programme in the State?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) A Statement indicating district-wise number of TB cases at the end of year 2001 in Gujarat as reported by the Statc-Govcmmcrtt, is given (Sec below).

(b) The National TB Control Programme is being implemented in the State of Gujarat since its inception of 1962. To achieve cure rate of 85 per cent of new sputum positive cases and to detect at least 70 per cent of such cases. Revised National TB Control Programme (RNTCP) is being implemented since 1997. Out of 25 districts, 23 districts arc under service delivery and 2 districts are undergoing preparatory activity for the adoption of revised strategy. The project districts have reported treatment success rate of 80 per cent which means that 8 out of every 10 patients diagnosed and put on treatment under the revised strategy arc successfully treated as against less than 4 in the previous programme.

Statement

District-wise number of TB cases in the year 2001 in Gujarat

Arrests in connection with admission in MS and MD Examination of AIIMS

†3499. SHRI P.K. MAHESHWARI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the Crime Branch of Delhi Police has recently arrested some people assuring guaranteed admissions in MS and MD Examination conducted by All India Institute of Medical Sciences on 6th January, 2002;

(b) if so, whether papers of the said examination got leaked prior to the examination; and

(c) if so, the steps being taken by Government to check such activities?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) The All India Institute of Medical Sciences (AIIMS) conducts an All India P.G. Entrance Examination for admission to 25 per cent open merit seats in medical and dentfl colleges in the country. On an anonymous complaint about the alleged leakage of question papers on the eve of examination for a consideration by certain unscrupulous elements, the AIIMS lodged a complaint with the Delhi Police in January, 2002. The Delhi Police in cooperation with AIIMS acted promptly and apprehended some people alleged to have been involved in the affair. The Delhi Police is currently investigating the matter. However, as the complaints

tOriginal notice of (he question was received in Hindi.
